

which HUD administers the installation program may perform installation work on the home that is in accordance with paragraph (a) of this section, provided that the work is certified in accordance with § 3286.111.

(e) *Compliance with construction and safety standards.* This rule does not alter or affect the requirements of the Act concerning compliance with the construction and safety standards, and the implementing regulations in parts 3280 and 3282 of this chapter, which apply regardless of where the work is completed.

§ 3286.109 Inspection requirements—generally.

The installer or the retailer must arrange for the inspection of the installation work on any manufactured home that is sited in a state without a qualifying installation program. Before the home can be occupied, the installer must certify, and the inspector must verify, the home as having been installed in conformance with the requirements of § 3286.107(a). The requirements for installer certification are set out in subpart E of this part.

§ 3286.111 Installer certification of installation.

(a) *Certification required.* When the installation work is complete, a licensed installer must visit the jobsite and certify that:

(1) The manufactured home has been installed in accordance with:

(i) An installation design and instructions that have been provided by the manufacturer and approved by the Secretary directly or through review by the DAPIA; or

(ii) An installation design and instructions that have been prepared and certified by a professional engineer or registered architect, that have been approved by the manufacturer and the DAPIA as providing a level of protection for residents of the home that equals or exceeds the protection provided by the federal installation standards in part 3285 of this chapter.

(2) The installation of the home has been inspected as required by § 3286.503 and an inspector has verified the installation as meeting the requirements of this part.

(3) All installation defects brought to the installer's attention have been corrected.

(b) *Recipients of certification.* The installer must provide a signed copy of its certification to the retailer that contracted with the purchaser or lessee for the sale or lease of the home, and to the purchaser or other person with whom the installer contracted for the installation work.

§ 3286.113 Information provided by retailer.

(a) *Tracking information.* Within 30 days from the time a purchaser or lessee enters into a contract to purchase or lease a manufactured home, the retailer or distributor of the home must provide HUD with the following information:

(1) The home's serial number and manufacturer's certification label number;

(2) The name and address of the retailer or distributor that is selling or leasing the home;

(3) The state and address where the home is to be sited, and, if known, the name of the local jurisdiction; and

(4) The name of the purchaser or lessee.

(b) *Installation information.* Within 30 days from the date of installation, the retailer or distributor of the home must provide HUD with the following information:

(1) The name, address, telephone number, and license number of the licensed installer;

(2) The date of installer certification of completion of the installation;

(3) The date a qualified inspector verified the installation as being in compliance with the requirements of this part; and

(4) The name, address, and telephone number of the qualified inspector who performed the inspection of the installation as required by § 3286.109.

(c) *Method of providing information.* (1) The retailer or distributor must provide a copy of the information set forth in paragraphs (a) and (b) of this section to HUD by providing a copy of the information to HUD by facsimile, e-mail, or first-class or overnight delivery.

(2) The information must be sent to: Administrator, Office of Manufactured

Housing Programs, HUD, 451 Seventh Street, SW., Room 9164, Washington, DC 20410-8000, or to a fax number or e-mail address obtained by calling the Office of Manufactured Housing Programs. For convenience only, the URL of the Web site is <http://www.hud.gov/offices/hsg/sfh/mhs/mhshome.cfm> and the toll-free telephone number to contact the Office of Manufactured Housing Programs is 1-800-927-2891, extension 57.

(d) *Correcting information.* If the information provided by the retailer changes after it has been provided to HUD, the retailer must correct the information within 10 business days after the retailer learns of the change.

(e) *Record retention requirements.* The retailer or distributor must maintain a copy of the records required in paragraphs (a) and (b) of this section for 3 years from the date of installation, as under § 3286.115.

§ 3286.115 Date of installation.

The date of installation will be the date the installer has certified that all required inspections have been completed, all utilities are connected, and the manufactured home is ready for occupancy as established, if applicable, by a certificate of occupancy, except as follows: If the manufactured home has not been sold to the first person purchasing the home in good faith for purposes other than resale by the date the home is ready for occupancy, the date of installation is the date of the purchase agreement or sales contract for the manufactured home.

§ 3286.117 Completion of sale date.

(a) *Date of sale defined.* For purposes of determining the responsibilities of a manufacturer, retailer, or distributor under subpart I of part 3282 of this chapter, the sale of a manufactured home will not be considered complete until all the goods and services that the manufacturer, retailer, or distributor agreed to provide at the time the contract was entered into have been provided.

(b) *Compliance with construction and safety standards.* When a retailer or manufacturer is providing the installation and an installer installs a home in such a way as to create an imminent

safety hazard or cause the home to not comply with the construction and safety standards in part 3280 of this chapter, and those issues are discovered during the installation of the home, the sale or lease of the home is not complete until the home is corrected.

Subpart C—Installer Licensing in HUD-Administered States

§ 3286.201 Purpose.

The purpose of this subpart C is to establish the requirements for a person to qualify to install a manufactured home in accordance with the HUD-administered installation program. Installers will be required to meet licensing, training, and insurance requirements established in this part. Licensed installers will self-certify their installations of manufactured homes to be in compliance with the Model Manufactured Home Installation Standards in part 3285 of this chapter. In order for such an installer to self-certify compliance with the installation standards, the installer will have to assure that acceptable inspections, as required in subpart F of this part, are performed.

§ 3286.203 Installation license required.

(a) *Installation license required.* (1) Any individual or entity that engages in the business of directing, supervising, or controlling initial installations of new manufactured homes in a state without a qualifying installation program must itself have, or must employ someone who has, a valid manufactured home installation license issued in accordance with the requirements of this subpart C. For each installation covered under these requirements, the licensed installer, and any company that employs the licensed installer, will be responsible for the proper and competent performance of all employees working under the licensed installer's supervision and for assuring that the installation work complies with this part.

(2) A business that employs a licensed installer to represent the business and hold the installer's license retains primary responsibility for performance of the installation work in
